**Regarding: SDS for cosmetics**

In response to your request for providing the Safety Data Sheet for one of Procter & Gamble cosmetic products, I would like to inform you that according to Article 2, point 6 (b) of Regulation nr 1907/2006 (REACH), finished cosmetic products are excluded from obligation of creating the Safety Data Sheet.

*Article 2, point 6 (b)*

*The provisions of Title IV shall not apply to the following ► M3 mixtures ◀ in the finished state, intended for the final user:*

*(b) cosmetic products as defined in Directive 76/768/EEC;*

Some of our cosmetics due to its form (aerosols) or composition are classified as dangerous in transport. In such cases we put necessary information on outercases in line with relevant transport regulations (UN codes).

In case of any questions please contact me.

Best regards,

*Iwona Krajewska*
